## CLASS HISTORY

We will never forget the fall of 1955 when we first entered high school as Freshmen. Many of us were strangers, so we spent the first few days making acquaintances under the guidance of Miss Georgia Morris, the girls' sponsor, and Mr. Robert Spencer, the boys' sponsor. Most of us were initiated into the F.H.A. and the F.F.A. that year. Our basketball players were Joan Crumpler, Linda Futrell, Jo Ann Mozingo, Barbara Crumpler, Sandra Wiggs, Ray Hare and Jerry Elmore. Mr. Spencer, the coach, helped them to make a good start in basketball. We had three students to leave us that year. They were Patsy Carter, Charles Daw, and Margie Smith. We also gained three new students. They were Mary Harvey, Maggie Daniels, and Julia Ward. Our class trio, Gatha Forehand, Carolyn Forehand, and Peggy Edwards won a prize in a Talent Contest sponsored by Belk-Tyler's at our school. We had several class parties, but the one at Goldpark Lake is most remembered.

By the time we were Sophomores we knew how to cope with our problems. We were divided again with Miss Theresa Rabil and Mr. Irving Fornecker as our sponsors. We were beginning to think seriously about raising money for later use in our high school activities. We sponsored several sock hops that year. We lost Mary Harvey, Julia Ward, and Maggie Daniels. We gained three students. They were Charles Daw, Ralph McCabe and David White. Jo Ann Mozingo got married and settled down to housekeeping. One of our most remembered activities was our trip to Morehead City to study Sea Life with Miss Georgia Morris, our Biology teacher. We also had a party at the Pikeville Clubhouse with Mr. Fornecker and his band entertaining.

Our Junior year was a big responsibility, but we started out fine with the help of Mr. Irving Fornecker, who was our sponsor. This was the first year our class had been together. Sandra Wiggs and Rose Crocker left us that year. Judith Howell decided that she preferred keepinghouse to studying, so she got married. Barbara Taylor and Alice Ginn joined us that year, but Alice later left us. To raise money we picked cotton and sold candy and Christmas cards. Eleven of us participated in the Junior Play, "The Monkey's Uncle", which was presented January 9, 1958, and was a huge success. Initiated into the Beta Club were Linda Futrell, Jean Smith, and Henry Howell. We are very proud of them. The marshals were Jean Smith, Linda Futrell, Henry Howell, Patsy L. Bass, and Ralph McCabe. We really enjoyed our Junior Career Day in Goldsboro.

Now that we have reached our final year, we realize how fast the years have passed. We have done very well with the help of Miss Barwick, our sponsor, and Mr. R. C. Russell, our principal. Rose Crocker, Sandra Wiggs and Nancy Bartlett joined the Senior Class this year. Rose Crocker Lancaster, Patsy Lancaster Bass and Peggy Edwards Weaver were married this year and Peggy is now attending school in Atlanta, Georgia. We have planned a trip to Raleigh to see the Ice Capades. We sold magazines and candy, picked cotton and tied tobacco to increase our class funds. Our parents helped us sponsor a chicken stew supper to raise money to go to Washington, D. C. We are now looking forward to that long awaited graduation day, when we will receive our diplomas and bid dear old Pikeville High School au revoir.
